

LAWRENCE COUNTY VOTERS:

YOUR VOTE COUNTS. YOUR VOTE MATTERS.

NOTHING HAS CHANGED

For Pennsylvania voters, nothing has changed regarding mail ballots at this time.

OUR FULL ATTENTION

We are actively monitoring state and federal news and any USPS changes that may arise.

BEING PROACTIVE

Administering elections is a year-round job. We are working with our Pennsylvania Department of State and federal partners to ensure the elections are safe, secure, and accurate.

YOU WILL BE NOTIFIED

As we continue to monitor any possible changes, we are keeping you in mind. If anything changes for Pennsylvania, we will communicate the information quickly and clearly.

THANK YOU!

We thank you for being engaged and asking questions. We hear you and are in this with you.
