

ELLWOOD CITY BORO RECYCLING PROGRAM

Who must Recycle: All residents and businesses of Ellwood City are required by state and local laws to recycle at their curb.

Contact Information: Valley Waste - 724-843-9373

The borough website has additional information:

<https://www.ellwoodcityborough.com/services/recycling-trash>

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts
- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every of other week.

Spring/Fall Cleanup: Check to the borough to see if one is scheduled.

Large/Bulky Item Pickup: Yes. Year-round tag program for large/bulky items. Contact borough for information or to purchase tags.

Leaves/Yard Waste: Yes. Leaves, grass clippings, branches less than 3" diameter, brush, plants, flowers, roots, shrubbery, wood chips, and saw dust. Check with borough for Yard Waste Bins, schedule, and materials collected. Yard waste bins are collected on specified weeks throughout the calendar years. Dates are also provided on borough utility bills.

If a resident has extra yard waste that does not fit into a container, it is recommended that they bundle and tie branches together. The branch bundles can be no longer than 4 ft. and should be placed next to the container. For all other extra yard waste, residents may place these items in the brown biodegradable bags that may be purchased at most hardware stores. Please do not place the items in plastic bags as the waste dump sites for yard waste materials will not accept these items.

Christmas Trees: Yes. Live trees only, no decorations, and do not place in bags. Contact the borough for the location and schedule.
