Notice to Applicant:

All addressing requests are on a first come, first serve basis. Requests can take 2 weeks to process.

The Lawrence County Department of Public Safety does not answer addressing related questions via telephone or in person. Their primary function is to provide emergency telecommunications services and emergency management services to the residents and emergency responders of Lawrence County. Their staff is unable to disrupt these activities to answer addressing related questions.

An Address Verification Letter will be returned to the Applicant. It is the Applicant’s responsibility to inform all relatives and acquaintances, telephone and utility providers, financial institutions, credit companies, and any other necessary agencies/companies of any address change.

We cannot confirm anything regarding the NAME of the occupant or property owner. This information must be obtained through other services such as the Lawrence County Assessor’s Office, the postal service or other means.

Addresses are subject to change.
