WHEREAS, The Office of the Lawrence County District Attorney applied for and received grant funding from PCCD (Grant No. 39087) in the amount of \$164,000 per year for two years to initiate and operate an innovative, integrated Track, Trace, and Prosecute Program (TTP) to reduce gun crimes and related acts of criminal violence. Gun violence and gun related incidents of crime have steadily increased over the last decade in Lawrence County. Despite the county's designation as a rural community, the epicenter and county seat of New Castle City, has a prevalence of gun crimes and violence rivaling many districts located in the urban centers of surrounding Pittsburgh, PA, and Youngstown, OH. The Track, Trace, and Prosecute (TTP) Program initiative conceptualized by the District Attorney's Office seeks to improve and enhance the coordination of multijurisdictional law enforcement investigations and to maximize prosecutions for violations of 18 Pa.C.S. Chapter 61 and crimes of violence involving firearms.

WHEREAS, Assistant District Attorney's will be assigned supporting detectives within their areas of specialization and all crimes involving firearms, protection from abuse orders and other related violent crimes will be evaluated and prosecuted utilizing the protocols and procedures outlined in the TTP Program. The TTP Program through its Assistant District Attorney's will focus prosecutorial efforts on firearm use and/or possession in domestic abuse cases, juvenile cases, narcotics cases and crimes of violence or crimes committed by violent actors.

WHEREAS, Funding for the TTP Program will support personnel costs related to these expanded and more exhaustive investigations and prosecutions and will be used to implement a firearm and licensing trace and tracking program. TTP Program detectives shall track the purchase of firearms throughout the county and the issuances of carry conceal permits; shall work with our longstanding partners in the Bureau of Alcohol, Tobacco, Firearms and Explosives, Federal Bureau of Investigation, Department of Homeland Security, Pennsylvania State Police, Drug Enforcement Administration and the United States Attorney's Office to investigate and prosecute straw purchasers and unlicensed manufacturers; and shall track and seize firearms pursuant to any court order or statute related to protection from abuse orders, custody orders, juvenile orders, and/or felony convictions. The TTP Program through its prosecutors and supporting detectives will tirelessly pursue the reduction of gun crimes and related violence with an emphasis on prosecution and deterrence throughout Lawrence County.

WHEREAS, This grant has been awarded for a duration of 2 years and upon expiration all stipends stated above will be null and void;

WHEREAS, This grant is fully funded and will not cost the tax payers of Lawrence County any additional monies related thereto;

WHEREAS, increases in compensation related to this grant shall not impact base pay rates, overtime rates, on-call rates, or any salary-based percentage computations related thereto;

WHEREAS, the cost of living adjustment for employees receiving compensation under this grant and associated resolution shall be based upon the employee's salary base rate without consideration of any monies received via this grant;

WHEREAS, these increases in compensation shall be made in equal, lump sum quarterly stipends beginning in the last pay period of the first quarter of 2023 and continuing quarterly thereafter for the duration of the grant period provided funding from PCCD is pledged and/or received; and
